DERBY SPECIFICATION

Derby is a full grain leather which receives a vegetable combination retannage providing a luxurious, raised grain texture and roundness of hand associated with a classic leather. It is one of our clearest leathers, revealing the rich, natural characteristics of the hide.

Average hide size: 55–60 sq. ft.

Average thickness: 1.3–1.4 mm

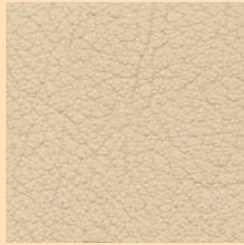

Weight: 3.50 oz. per square foot

Spinneybeck

Spinneybeck is one of the world's largest suppliers of quality full grain leather. Our hides are selected from the top five percent of the finest raw materials available in Europe.

We have been in business for over forty years supplying leather for a variety of interior applications from luxury penthouses, to yachts, to corporate aircraft for heads of state. We inventory approximately 2.5 million square feet of leather in nineteen styles in over 700 standard colours. In addition, we have the capability to custom colour our leather. We are also known for having an outstanding customer service department in addition to providing a high quality leather product.

P&A Wood

All original Rolls-Royce and Bentley colours were researched for this presentation with the help of Paul Wood of P&A Wood, Rolls-Royce and Bentley Official Heritage Dealers (Great Eastern, Dunmow, Essex, United Kingdom), www.pa-wood.co.uk.

A special thank you to Bob Smith (R&R Quality Trim). Bob worked as a coach trimmer for 15 years at Mulliner Park Ward; since the late 1970's he has successfully run his own coach trimming company, specialising in the restoration of Rolls-Royce and Bentley Heritage vehicles for clients all over the world.
