ARO Plank 5

Leather Wall System
ARO Plank 5 doesn't hide in the shadows.

ARO Plank 5 draws inspiration from the clapboard siding at Architecture Research Office's Martha's Vineyard House and enables customization across large areas with the simple combination of a few standard components. The three modules of Wide, Narrow A, and Narrow B are chamfered and set at varying depths to cast compelling, evolving shadows. Planks install quickly and easily with Spinneybeck's Interlock Mounting System and are available in wide range of leather qualities and colors.

ARO Plank was designed by Architecture Research Office (ARO), a firm dedicated to architecture that unites beauty and form with strategy and intelligence.

"We strive to convey a sense of calm, warmth, and joy in our product designs as well as through the architecture we design. We take inspiration from both material expression and functionality. We work to elevate spaces through careful attention to detail and use, and to emphasize the responsible use of materials and seek to balance beauty and strategy through design, pattern and texture."
