

Channel Wrap

Handrail

spinneybeck

Channel Wrap Handrail elevates an overlooked rail.

Spinneybeck Leather Handrails elevate an overlooked rail to a tactile, distinctive feature. This elegant and durable solution for stairs or elevator and door hardware enhances a space with a handcrafted, bespoke architectural element. Originating in Europe, the craft of wrapping handrails in leather is truly an art form. The leather is cut, shaved, and wrapped by hand adhering the leather to the handrail substrate. To create a clean look, a brushed aluminum channel insert is fixed at the underside of the handrail. Customizable options include leather type.

End Cap Option

Stainless Steel

Mounting Bracket Option

Stainless Steel

Product	Channel Wrap Handrail
Covering Content	European cowhide
Substrate	2 in (5.1 cm) dia. Aluminum
End Cap Option	Stainless steel
Mounting Bracket Option	Stainless steel
Length	Standard pricing applies to straight handrails of 10 lin ft (3 lin m) or more. Shorter lengths and any bends or curves must be quoted.
Maintenance	For finished leathers, wipe with a cool, damp cloth. For tougher soiling, use a pH balanced soap such as Dawn at a 1:10 ratio of soap to water, then rinse. Repeat if needed. For naked (aniline) leathers, wipe the entire surface with a soft cloth and cool water to even out any abrasions or stains. Do not spot rub, as this will darken only the treated area. Occasional use of water-based leather cleaner, conditioner, and protector is recommended. Other leather cleaners, such as saddle soap or household cleaners that may contain harsh chemicals, alcohol, or ink removers, should never be used.
Lead Time	Made to order and certain lead times will apply
Installation	Handrails should be fabricated off-site by an experienced metal fabricator or fabricated and manufactured by Spinneybeck. Installation services available through Spinneybeck.
Custom	Embossed or perforated leather and curved rails must be quoted
Standard Leathers	Available in the full color range of each leather below—refer to Color Book or spinneybeck.com/color-book for complete color selection. (Swatches shown to indicate grain texture only.)
