# About

---

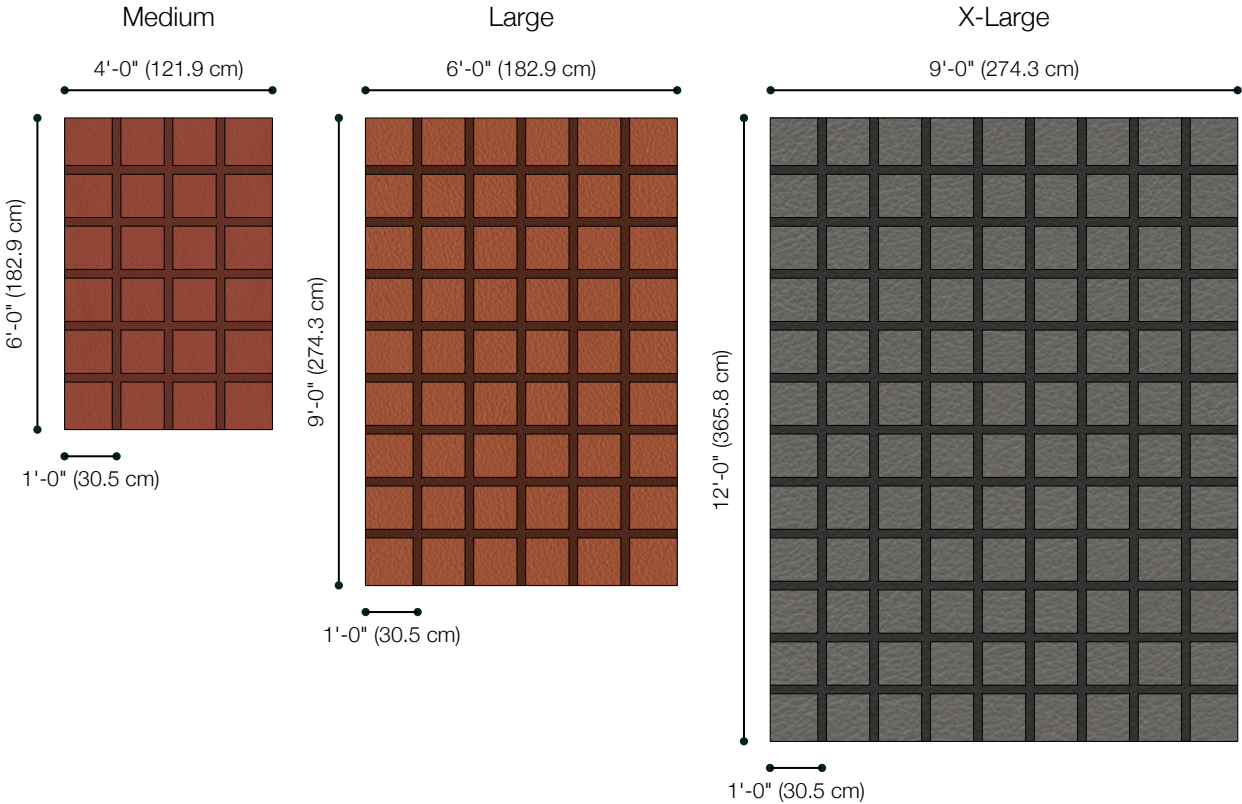

Spinneybeck covers new ground with a sophisticated collection of leather rugs. The luxurious natural feel of leather and plentiful color options create an unlimited canvas for the floor. Designed by noted architect Emanuela Frattini Magnusson, Spinneybeck rugs are fabricated with superb craftsmanship and the finest Italian leather. Grid is fabricated of 12 in (30.5 cm) leather squares with 2 in (5.1 cm) wide overlapping strip. Select two colors, one for the primary and one for the accent, from the collections of Andes, Acqua, España, Embossed Tipped, Forte, Hand Tipped, Portofino, Sabrina, Volo, Velluto Pelle, and Vicenza leathers. The thread color will match the large leather square, unless otherwise specified.

Emanuela Frattini Magnusson is the founder and principal of EFM Design, an international, award-winning, multi-disciplinary practice that spans architecture, interiors, product design, brand development, and graphics.
