

A photograph of an office interior. The background wall is composed of large, rectangular panels in various shades of red and orange. Mounted on this wall is a large, three-dimensional AOL logo in a bright blue color. The logo consists of the letters 'A', 'o', and 'l' followed by an exclamation point. In the foreground, a wooden desk is visible. On the left side of the desk, there is a silver Apple iMac. To the right of the iMac, a portion of a grey mesh office chair is visible. On the far left, a glass partition reflects the office space, showing other desks and chairs. Two cylindrical pendant lights hang from the ceiling. The overall atmosphere is modern and vibrant.

Colorful Muro panels create an impactful feature wall at the Washington DC offices of AOL. The reception wall features a mix of leather qualities in red, orange, and yellow tones as well as varying panel sizes to create a contemporary pattern of texture and color. Constructed of high quality leather wrapped around a high-performing plywood substrate, panels come preinstalled with Z-Clip fasteners for easy hanging. Pin-mounted signage of the AOL logo is mounted to the chromatic walls.
