Ann B Barshinger Cancer Institute

Specifier	Ballinger
Location	Lancaster County PA
Product	Acqua
Color	AU 0658 Congo

The nationally recognized Ann B Barshinger Cancer Institute at Lancaster General Health is a comprehensive cancer care facility in Lancaster County, Pennsylvania. Philadelphia-based design firm, Ballinger, worked with the institute to create a state-of-the-art facility which supports patients, families, and caregivers. At the Fresh View Cafe, Knoll Saarinen Executive Arm Chairs are upholstered in AU 0658 Congo. This durable leather goes through a special retannage and finishing process that results in leather that is not only water resistant, but also practical for a café setting. Overlooking the Healing Garden, the soothing green tone helps to enhance the physical, emotional and spiritual wellbeing of the institute's patients.
