<b>Client</b>	Blu Dot
<b>Location</b>	Minneapolis MN
<b>Product</b>	Die Cut + Laser Engraved Belting Leather
<b>Color</b>	BL 1902 Dark Brown

Founded in 1996, Blu Dot furniture is the brainchild business of three college friends trained in architecture and art, based on the premise that design should be affordable. Blu Dot pieces are in the permanent collections of several museums and have won numerous national and international awards. The modern Shale Collection of solid wood dressers, credenzas, and wall mounted cabinets feature custom Belting Leather drawer and door pulls. The custom pulls are die cut and then laser engraved with the Blu Dot logo on the underside.
