Brooklyn Townhouse

Specifier	Morris & Woodhouse Interiors
Location	Brooklyn NY
Products	Sling Pulls + FilzFelt© Custom Floor Covering
Colors	BL 1905 Red + 175 Graphit
Photographer	Robert Granoff

In the playroom of a townhouse in Brooklyn, New York, the toys aren't the only things that add color. Sling Pulls in a vibrant red elevate the typical door and drawer pull while staying true to the whimsy necessary in a room designed for play. And a Custom Floor Covering in a deep grey is accented with bright green hand-stitching to keep the color going while providing elegance and softness underfoot.
