Greystar Seattle

Specifier	Elizabeth Stuart Design
Location	Seattle WA
Product	Vicenza (VZ)
Color	VZ 2121 Valle Cavanatta
Photographer	Brent Smith

At the Seattle offices of Greystar, a multifamily property management, development, and investment services company, Vicenza leather covers Herman Miller Eames Soft Pad Chairs in an executive conference room. Inspired by its namesake city in northeastern Italy, Vicenza is a corrected grain, aniline leather with a breathable protective finish that is impregnated into the leather. This full grain leather provides the price, grain, and color offering the designer and client wanted.
