<b>Specifier</b>	Remington Lodging & Hospitality
<b>Location</b>	Nashville TN
<b>Product</b>	Custom Belting Leather Straps
<b>Color</b>	BL 1902 Chocolate
<b>Photographer</b>	Brent Combs

At the Renaissance Hotel in Nashville, Tennessee, a custom screen is created with twenty-six Belting Leather straps. The screen alternates the finished face of the leather with the unfinished suede side to provide an interesting rhythm of warmth and all-natural texture. The custom buckles were provided by the installer but the straps were machine stitched to the buckles by Spinneybeck's in-house fabrication team.
