Project Profile

# WeWork Dupont Circle

<b>Client</b>	WeWork
<b>Location</b>	Washington DC
<b>Product</b>	Custom Quilted Muro
<b>Leather Type</b>	Distressed
<b>Leather Color</b>	DT 0068 Monte Cassino

At WeWork's Dupont Circle outpost in Washington DC, Muro panels with custom quilting create a not-so-stuffy pool hall vibe. Wrapped in Distressed leather in a rich burgundy, the eight quilted styles include various scales of diamond, parallel, rectangle, and square. These panels add a classic elegance, while the combination of patterns are a contemporary bent on traditional quilted leather-wrapped panels.
