Product	Acqua (AU)
Color	AU 0660 Spanish Main
Photographer	Halkin Mason Photography

At a senior living facility which includes independent living, assisted living, and memory care located in the master-planned community originally developed by The Walt Disney Company, on-site amenities abound including shopping, dining, and lots of entertainment options. In a thirty-seat movie theater, Acqua leather upholstered seating provides comfort along with durability. Acqua undergoes a special retannage and finishing process results in leather that is not only water resistant, but also practical for applications that require a durable finish.
